

RI Early Intervention Providers Referral Status as of 12/9/2021

Due to the fiscal crisis that is occurring within the state's Early Intervention system, EOHHS has implemented a statewide referral process. Once referred, families will be contacted to discuss this process. They will be given the option to be matched with the first provider in their community who has an opening, or they can choose a specific provider who serves their community. Families will be connected with an EI provider that serves their community as agencies have availability. Consideration is given to referral date, provider catchment area, and family choice of provider to ensure equity with access to EI services.

There are several ways to refer a child to the Early Intervention statewide referral list.

- Email the referral to Jennifer.Kaufman@ohhs.ri.gov
- Fax the referral to (401) 462-2939, Attn: Early Intervention.
- Call (401) 462-3425 and leave a voicemail with the referral information.
- Refer to the agency that you typically would, via phone, fax or email.

RI Early Intervention Providers
